---

Under separate memorandum submitted to the Board this day, Taylor Properties, Inc., requested final designation for Parcel I-2, which is comprised of Parcels I-2A, I-2C and I-2D, the three phases in which this project will be constructed. The total project consists of 124 units of housing located in 62 buildings.

It is desired to make an Order of Taking of the above parcel I-2 (consisting of I-2A, I-2C and I-2D) in order to ensure that the Authority holds and can convey good title, unencumbered by any claim which might otherwise be asserted against the property.

This Order of Taking is requested for title perfection purposes only and does not involve the acquisition of any additional land or the award of any additional damages.

I, therefore, recommend that the Authority adopt the appropriate Order of Taking regarding the above Parcel I-2, consisting of Parcel I-2A, I-2C and I-2D, in the Washington Park Urban Renewal Area.
